If Jimmie Thorpe had ren dered no other service to athletics, he can rest secure in that particular niche in the athletic Hall of Fame which is left for those who negatively acomplish something. Thorpe played professional baseball, and as payment for that infringement of the rules of amateurism he is deprived of the glories as expressed in tangible prizes, coming to him from defeating the best the world could produce in the Pentathlon and Decathlon at Stockholm.

Since the report came out that the New York Nationals and Chicago Americana intend to make a tour of the world several howing promoters have become interested and are now figuring on sending two five-men tenns on a European trip. If the trip is made it will be under the management of W, V. Thompson, of Chicago, captain of the famous Thompson Coits, who is of the opinion that bowling will attract as much attention in the foreign countries as buseball, and the fenpin game is very popular in France, Germany and Engiand, It is the intention to select one bowler from ten different cities, and in this way the United States and Causada would be well represented.

The subcommittee appointed from the executive committee of the flickmond wintear Athletic Pederation, to consider plans for the first open sir track meet to be held by the federation will meet this afternoon at 5 o'clock in the office of the sporting editor of the Times-Dispatch. Many plans will be considered, but it is probable that the plan as outlined by the Public Athletic League, of Builmore, will be finally adopted. The committee is composed of F. 8. Toney, secretary of the federation, Physical Director Jones, of the public schools, and tou Malbert, of The Times-Dispatch. As soon as the committee has completed its work, which will include arrangements for the relay carrival to be held in connection with the Biges-College track meet, to be held March 8, the plans will be made public. A meeting of the executive committee will be held Friday night at 8 o'clock, in the Central Y. M. C. A.
